MSP 240 CLASSIC PLUS

9W | 80 Column

FEATURES

- 15,000 power-on hours – higher reliability
- 200 million characters for print head
  10 million characters ink bank
- Silicon self-lubrication – maintenance free
- Wide operating voltage: 90V – 270V AC
- Faster printing speed – 300 CPS

MSP 240 STAR

9W | 80 Column

FEATURES

- 10,000 power-on hours – higher reliability
- Long lasting 10 million characters
  ink bank ribbon for low running costs
- Silicon self-lubrication – maintenance free
- Wide operating voltage: 90V – 270V AC
- Faster printing speed – 375 cps

MSP 250 STAR

9W | 80 Column

FEATURES

- Code capability upto 1 – 4
- 15,000 power-on hours – higher reliability
- 200 million characters for print head
  10 million characters ink bank
- Silicon self-lubrication – maintenance free
- Faster printing speed – 450 CPS

MSP 450 STAR

24W | 80 Column

FEATURES

- Copy capability upto 1 – 4
- Input buffer: 100 KB
- 15,000 power-on hours
- Long-lasting 10 million characters ink bank ribbon for low running costs
- Faster printing speed – 360 CPS

MSP 245 STAR

9W | 136 Column

FEATURES

- Copy capability upto 1 + 4
- 15,000 power-on hours – higher reliability
- 200 million characters for print head 10 million characters ink bank
- Silicon self-lubrication – maintenance free
- Faster printing speed – 450 CPS

MSP 345 STAR

24W | 136 Column

FEATURES

- Copy capability upto 1 + 3
- Print head life: 200 million characters at 33% print density in 25% duty cycle
- 6000 power-on hours – higher reliability
- Long-lasting 10 million characters ink bank ribbon for low running costs
- Faster printing speed – 400 CPS

MSP 270 STAR

9W | 80 Column

FEATURES

- 80 Column
- 200 million characters for print head 10 million characters for ink bank
- 15,000 power-on Hours – higher reliability
- Silicon self-lubrication – maintenance free
- Faster printing speed – 320 CPS

Robust Build Qualit

User-friendly & Portable

Superior Printing Speed

Easy To Maintain

Low Power Consumption

RP 3160 GOLD

FEATURES

- 3-inch / 80 mm paper width
- 4 MB flash memory
- 160mm print speed
- Small foot print & smart box design
- 203 DPI high resolution
- USB or Serial

RP 3200 Plus

FEATURES

- 200mm print speed
- Small foot print & smart box design
- 203 DPI high resolution
- 3-inch / 80 mm paper width
- 4 MB flash memory
- USB+Serial+Ethernet

RP 3210 GOLD

FEATURES

- 3-inch / 80 mm paper width
- Built-in auto cutter
- 210mm print speed
- Smart box design
- 203 DPI high resolution
- USB+Serial+Ethernet

RP 3220 STAR

FEATURES

- 3-inch / 80 mm paper width
- 2 MB flash memory
- Maximum print speed 220 mm
- Small foot print & smart box design
- 180 DPI high resolution
- USB+Serial
- Options available: Ethernet/WiFi

RP 4200

FEATURES

- 4" thermal pos printer with superior quality
- Enable with USB & serial configuraton
- High speed printing of 200 mm/sec
- Available with cash drawer port
- Compact, front exit & smaller footprint designs

All models have cash drawer port.

LABEL PRINTERS

Labelled to Last.

- Efficient and Versatile
- Robust Build Qualit
- Superior Printing Speed
- User-friendly Design
- Value for Money

LP 46 PLUS

FEATURES

- Durable and strong design
- High ribbon capacity of 300 meters
- Multiple interface options of USB, serial and ethernet
- High print rate at 6 inches per sec
- Resolution 203 dpi
- Direct thermal transfer

LP 46 NEO

FEATURES

- 6 inch per sec print speed
- High ribbon capacity of 300 meters
- Compact & user friendl
- Resolution 203 dpi
- Direct thermal transfer
- USB+Serial

LP 46 LITE

FEATURES

- Durable and strong design
- High ribbon capacity of 300 meters
- USB interface
- High print rate at 6 inches per sec
- Resolution 203 dpi
- Direct thermal transfer

Dynamic Performance.
Delightful Output.

PLATINA DP 5000 PLUS

24W | 136 Col.

FEATURES

- Auto-paper thickness sensing
- Built-in industry standard barcodes
- Flatbed paper path
- Higher copy capability upto 1 – 7 copies
- Superior reliability – 20,000 POH
- Faster printing speed – 606 CPS
- Wide-input buffer upto 128 KB
- Versatile paper path front / rear push tractor
- Interface: Parallel+USB+Serial (Optional – Ethernet)

SPEED 40 PLUS

24W | Pass Book Printer

FEATURES

- MTBF: 10,000 POH
- Choice of interface – USB / serial
- Print head life: 400 million characters
- Superior reliablity
- Supports passbook – vertical / horizontal
- Printing speed at 580 CPS Input buffer 128 KB

MOBILE PRINTERS

Ultra Scan Decoding
Technology

High Sensitive Image Sensor

Direct Plug and Play

BS-C101 STAR

FEATURES

- Aim & shoot trigger providing operational cost
- Durable and Strong design
- Enabled with ultra scan-decoding technology
- Express speed at 330 scans per second
- Plug and play – easy to install
- CCD technology

BS-L100 PLUS

FEATURES

- 1.5 m drop resistance
- Powerful scanning performance
- Plug and play design
- 1D laser barcode

BS-C103G

FEATURES

- Scan speed of 350 scans per second
- 1D CCD imager scanner with unsurpassed penetrabiltiy
- Capable of scanning damaged and low contrast codes
- Capable of scanning 3 million barcode

BS-i201 G

FEATURES

- Capable of reading 1D 2D barcodes
- Durable and Reliable design

BS-i201 S BT

Bluetooth Scanner

FEATURES

- Scans both 1D and 2D barcodes
- CMOS Technology
- Simple to Operate

BS-i201 N DPM

FEATURES

- Capable of reading common 1D, 2D bar codes
- CMOS technology
- Reads QR code of UIDAI in Aadhaar card
- Suitable for light Industrial environment

BS-i302G

FEATURES

- ⇅ Quick to Switch mode
- Superior motion tolerance
- IR trigger
- Ready to read on screen QR code
- **IP** Rating — IP50 rating seating
- 1.2m drop resistant

BS-i203G

FEATURES

- Enchanced high resolution sensor for rapid and precise scanning
- High decoding ability to read damaged as well as low contrast codes bar codes
- Reads secure high density QR codes
- Superior barcode reading and image capture
- Built with high durability, designed to withstand 1.8 MTS drop
- IP 54 Protection

BS-L150S WL 1D LASER

FEATURES

- 2.4 Ghz wireless laser barcode scanner
- Offers accurate aiming and hassle free scanning
- Ergonomically designed for ease of use
- Big storage ability of 4MB

*Robust, Reliable,
And Cutting Edge
